Dear Parents, Campers and Church Camp Contacts,

As of now, we are making plans to have regular camps this summer. We are working on COVID health precautions. In addition to spiritual development, our regular camps (except Day Camp) will also include Basketball, Volleyball, Canoeing, Archery, and many other fun and educational activities.

Enclosed you will find camp registration forms and camp rules. We need each form **completely** filled in for each camper. We ask each camper and parent to **read and consent to the camp rules**. **We are setting a deadline of June 23 to receive camp registrations in our association office**, so that the Camp Directors will know how many to plan for and to insure adequate space and supplies. Every camper that registers by the deadline will receive an attractive T-shirt.

Camp fees are listed by each camp. We will have a free snack stand again this year, so there is no need to send snacks or money with campers. We are including **a small additional camper fee with the registration fee** to cover the cost of snacks and missions giving. We will provide some partial scholarships upon request for those who need it. **Camp fees should be sent with registration forms. Forms and fees should be returned to the sponsoring church** (the Franklin Baptist Association Church you attend or nearest your home) **by June 19**. **Each church then should turn in all completed forms and fees to the Association Office by June 23**. **If possible, it would help for the sponsoring church to collect all registration forms and fees and submit all of them at one time to the Association Office**. **It is also helpful to us if the church will send one check to cover all fees for all campers**. *Churches are encouraged to make and keep copies of registration forms before submitting originals to FBA office.*

Upon recommendation of the Health Department, at check-in time each camper will be discreetly checked for possible head lice and temperature. In the unlikely case that anyone is found with head lice or temperature, they will be sent home, and will have to be treated before they are permitted to return to camp. We regret any inconvenience or embarrassment this may cause, but are sure you will appreciate this safeguard.

DO NOT FORGET all camp registrations MUST BE submitted on or before June 23 into the FBA office.

We **may** not be able to receive registrations after that date, depending on limited space and resources. Please be sure to stress the registration deadline when you promote camp. In the unlikely case our camp reaches capacity, we will register campers by the date we receive their forms. Prospective campers will be notified by telephone **if** they can **NOT** be accommodated. Please, **help get the registration forms into your local sponsoring church** as soon as possible, and no later than June 19, so all forms can be brought to the Association Office by June 23.

Feel free to duplicate camp forms, rules and letters for each camper (please use white paper for registration forms and copy back pages also), or call our office at 636-583-2639, if you need an additional quantity.

Looking forward to a great camp.
