Introducing

Spring Bluff

Retreat Center

Located in the beautiful, rolling hills of western Franklin County, just 70 miles southwest of St. Louis, Spring Bluff Retreat Center is an ideal location for retreats and camps of various sizes and types.

Retreat Centers are becoming more popular. With the social pressures and the fast pace of the world, retreat centers offer a place of solitude where groups can worship together and spend time in personal reflection, prayer and Bible study. A different environment can help focus our spiritual lives. Spring Bluff Retreat Center is in a secluded area, where all age groups can relax and meditate. The camp offers many opportunities for recreation as well as climate-controlled buildings for ministering and relaxation.

The chapel is a 40' by 80' brick structure furnished with pulpit, pews and pianos. The chapel will accommodate 150 persons. Also, there is a Vesper Garden by the lake ideal for prayer or vesper services.

The Carl Flora Dorm has four sleeping rooms with two classrooms between. Each dorm room has an adjoining restroom facility containing five showers, five commodes, and five lavatories. There are two drinking fountains, washer and dryer, and a refrigerator available. The dorm can accommodate 120 campers.

A building north of the chapel contains two housing units for staff, missionaries, etc. Each unit is fully carpeted and furnished with a double bed, sofa, stuffed chair, end table and desk.

A nearby utility building contains 5 showers, 5 commodes, a lavatory and laundry facilities for guest use. There is an RV parking with full hookups for 5 RVs.

The cafeteria in the lower level of the chapel offers stoves, a grill, commercial refrigeration, serving counters, cutlery, ice dispenser, and dining table accommodations for 96 campers.

Recreational activities that are available at Spring Bluff Retreat Center include: basketball, sand volleyball, badminton, horse-shoes, softball, hiking, boating, fishing, and swimming.
